## THE COURSE OF YOUR LIFE

The Course of Your Life is essentially a framework to help you apply the word of God to people's lives prayerfully and intensively. The subtitle is '**a personal revolution**', and that's what the course seeks to do—to revolutionize hearts and minds by focusing on the central and profound issues of who God is, what he has done in Christ, what his extraordinary plans are for the world and for us, and how that generates a whole new agenda for the course of our lives: **to be disciple-making disciples of Jesus.**

**"The Course of Your Life enabled me to see more clearly, what God wanted my life to look like."**

Myles Donaldson

**"Looking at God's agenda for our lives, mapped out in the bible, was a life changing experience and I am very thankful for The Course of Your Life. I highly recommend it."**

Andy Pearce
